Course Descriptions

ASL-110 (American Sign Language I) This entry-level course is designed to introduce students to American Sign Language (ASL) and fingerspelling as it is used within American Deaf culture. Instruction includes preparation for visual/gestural communication followed by intensive work on comprehension through receptive language skills, development of basic conversational skills, modeling of grammatical structures, and general information about American Deaf culture. American Sign Language 110 is equivalent to two years of high school ASL. Students are required to attend at least one off-campus event. **4.0 UNITS - Transfers to both UC/CSU**

MUS-104 (Rock Music History & Appreciation) Historical survey of rock music from its beginning in the '50s to the present. All Rock and Pop styles will be discussed. Personalities and musical styles will be related to the sociology of the time period being studied. Field trips are required. **3.0 UNITS - Transfers to both UC/CSU**

CINE-104 (History of Film from 1945 to Present) A Lecture/visual aids course exploring film as an art form and developing appreciation of historical, artistic and technical advances. **3.0 UNITS - Transfers to both UC/CSU**

SOC-100 (Introduction to Sociology) The scientific study of human societies and behavior focusing on the process of social interaction, patterns of social inequality, and the influence of social institutions on individuals as members of social groups. Special emphasis provided to explain factors promoting social stability and social change. **3.0 UNITS - Transfers to both UC/CSU**

BIOL-190 (Introduction to Biotechnology) Introduction to the field of biotechnology including a history of its origin and development, a survey of modern industrial applications and accomplishments, ethical considerations, and career paths. **3.0 UNITS - Transfers to both UC/CSU**

RE-110 (Real Estate Economics) Covers the factors influencing real estate values. Includes business cycles, regional and community growth, influences on real estate development. Applies towards the partial fulfillment for the educational requirements for (1) California real estate salesperson license and (2) California real estate broker license. **3.0 UNITS - Transfers to CSU only**

RE-103 (Legal Aspects of Real Estate) California real estate law including contracts, ownership, estates, easements, landlord-tenant, trust deeds, liens, agency, security devices, and land use. Applies towards: (1) required course for the California real estate salesperson licensing and (2) California real estate broker's license requirements. **3.0 UNITS - Transfers to CSU only**

BUS-150 (Introduction to Information Systems and Applications) Introduction to computer concepts and management information systems. Application software used to solve business problems. **3.0 UNITS - Transfers to CSU only**

CIS-101 (Introduction to Microsoft Office) Learn the basics of Microsoft Office, a suite of applications for Windows (Word, Excel, Access and PowerPoint). Acquire skills for creating, formatting, printing and editing business documents. **3.0 UNITS - Transfers to CSU only**
