TOTAL POINTS (each column) \_\_\_\_\_

***\*Do not include optional service points on this page. Please complete attached application.\****

**OPTIONAL SERVICE POINTS APPLICATION**

To receive additional optional service points you must submit this attached application.  
Do not include these points in your totals on the previous pages. The Spartan Service Awards Committee will add them when approved.

This form is to be used by students who contributed more than expected in a listed school activity and by students who participated in an unlisted school activity (such as a one-time on-campus project.)

No service or representation is too small to be considered by the awards committee as long as it truly pertains to school-related service.
